FRENCH DOORS - Available in most door styles

Our doors are available in 'SBD' specification. 'SBD' meets the rigorous requirements of Secure By Design, the official police initiative, backed by the UK Home Office crime reduction unit. It is a guarantee that your door has been tested to, and surpassed, the most rigorous of attacks, and the most extreme weather tests available. It is a reassurance that our manufacturing methods are constantly monitored by this respected outside body.

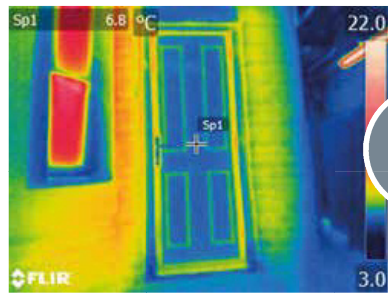

PAS 24 2012

All Doors are manufactured to PAS 24 2012
Pas 24 2012 gives you complete reassurance that your door has been manufactured to the highest level of quality and enhanced security.

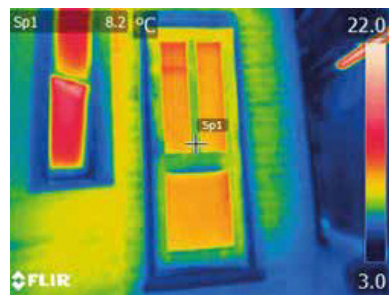

ENERGY EFFICIENCY

The insulated core of the door slab and insulated reinforcing in our frame allows for maximum heat retention and noise reduction. Our doors offer U Values between 0.9 and 1.5

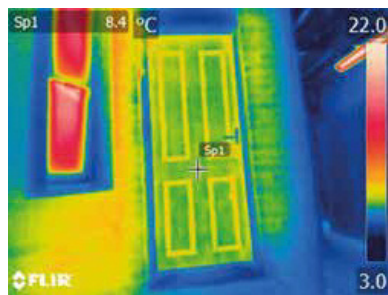

The photos show the thermal efficiency of each of the doors we tested. The darker the blue, the less heat is being lost. Reds and greens, the predominant colours on the timber door, indicate high heat loss.

GRP composite door

Traditional timber panelled door

Solid timber core composite door

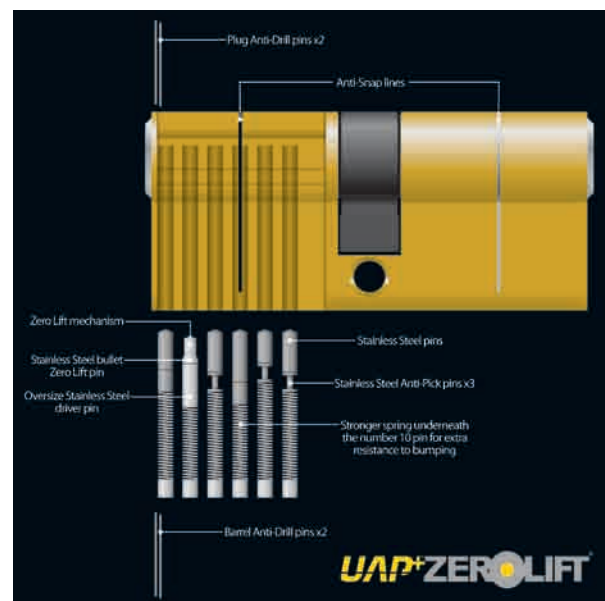

THE BEST CHOICE YOU CAN MAKE

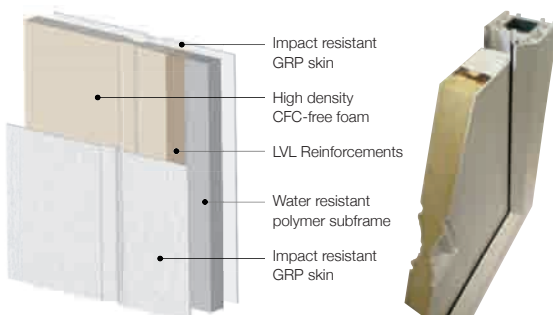

All of our doors offer a 10 year Guarantee encompassing warping, twisting, cracking, build quality. All hardware carries a manufacturer's guarantee.

Security Hardware

The doors can be fitted with a high security lock, featuring anti-snap, anti-bump, anti-pick, anti-drill lock barrel, offering the ultimate in peace of mind and security for your home.

Choice of Standard Door Colours

All the door styles are available in the following standard colours.

Choice of NEW Door Colours

All the door styles are available in the following new colours.

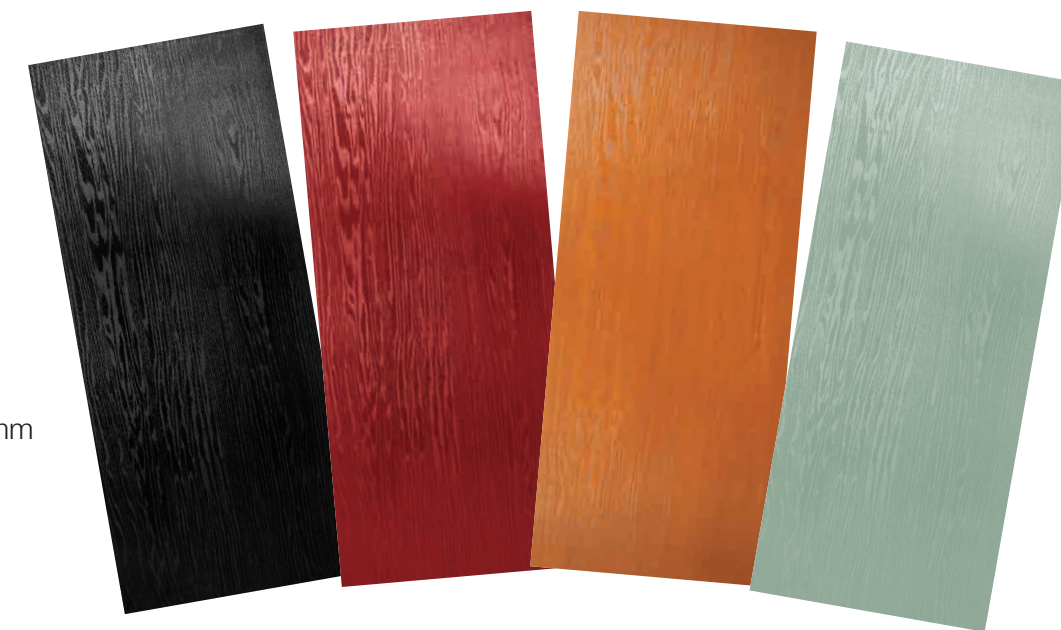

Choice of Bespoke Door Colours

Our colourbonding service is now available for both door slabs and frames.

Flat Grained 28mm Infill Panels

Available in all Colours to perfectly match your Composite Door. Sheet size: 900mm x 2020mm

Colours shown may vary from actual door colour and samples are limited by the print process. We reserve the right to amend design without prior notification.

MANHATTAN Stainless Steel Bar Handles and Hardware

In addition to our standard handles, we are offering a new range of contemporary style handles to complement your choice of door. The Manhattan range of handles are partnered with the Heritage Thunderbolt & the Heritage AV2

Lockmaster

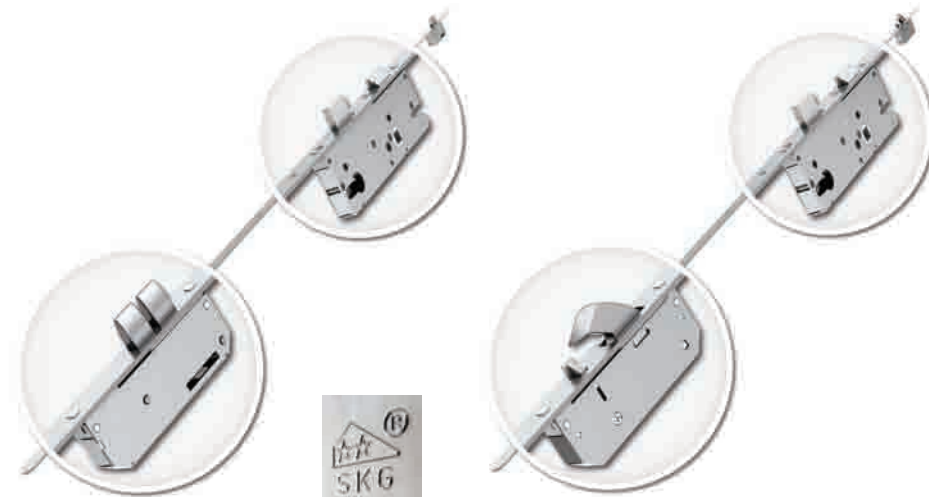

Tried and tested, reliable to the last, the Lockmaster is the height of security. This SBD lock consists of 2 hooks a deadbolt and latch can be worked on a Key / Key euro cylinder or a Thumb Turn.

Heritage Thunderbolt

The Thunderbolt features an escutcheon 2/3rds of the height of the door, when the door is closed the lock will lock on the catch. To dead lock the door the thunderbolt has 3 wind up dead bolts. Just turn the Thumb turn for total SBD Security.

Heritage AV2

Similar to the Thunderbolt, except when the door closes, the hooks will automatically engage, no need to turn the Thumb turn cylinder and also gives total SBD Security.
